### ***What's New at The Scrap Attic***

We have reorganized the store to serve you better! The Scrap Attic will be open Tuesday evenings 6:30 – 8:30 pm. Please call Angela at 568-5463 for all other appointments or product inquiries. You can also shop online at [www.thescrapattickl.com](http://www.thescrapattickl.com). We have recently made updates to the site and are accepting layouts for the Photo Gallery section.

### ***What's Hot in Scrapbooking***

My suppliers feel that in 2009 we will see scrapbookers looking for reusable products that will get them through the present economic uncertainty. We will see a return of dry embossing products. Paper piercing, stamping, punches and die cutting machines will be used to create one of a kind embellishments to personalized scrapbooking pages. The next time you complete a page try adding a texture using dry embossing on your page.
